

# CREATIVE KIDS SUMMER CAMP

## SUMMER OF STEAM + RAWR

WEEK 1

Science

Come experience the fun of science with games, experiments, and field trips that make learning fun! Keep the sticky bubbly gooey messes at Creative Kids and bring home the experiences!

WEEK 2

Technology

It's time for a throwback... let's go back in time! Learn about and experience technology through the years, from record players and cassette tapes to old-school arcades! Don't miss out on seeing why the past was so totally tubular!

WEEK 3

Engineering

Construction traffic isn't always fun, but learning about the engineering that makes it possible is a blast! Airplanes, bridges, and towers.. From the city under Seattle to the skyscrapers above it! Let's go!

WEEK 4

Art

Calling all artists and artists-to-be! The world is a beautiful place, let's slow down and enjoy it! Shall we paint while laying out in the grass? Work in an art studio? Make an absolute mess and create art we have to wash off our hands and feet? Come find out!

WEEK 5

Math

Math is needed for so many things- everything from multiplying a recipe to coding to finding out how much water fish need in their tank at the aquarium. We are on a mission to find the fun in math and use it to create our own adventures!

WEEK 6

Reading

Books, books, they're wonderful things- they make you smile, they make you think! This week is all about reading! Newspapers, books, collages, authors, challenges, and finding fun in the pages! And to top it off, lets try out a 90's norm- reading to earn a pizza party!

WEEK 7

Awareness

Our planet needs us! The plants, the animals, the earth, and each other! Let's learn, explore, share, care, and help it grow!

WEEK 8

Writing

Come on writers- just beginning and already skilled- Let's do what the writers do! We will plan, draft, write, illustrate, and create! Bring home your own book and share your story!

WEEK 9

Research

It's time to discover! Let's learn about the world around us, explore what we learned, show what we know, and have experiences that won't let us forget!

**LET'S HAVE AN INCREDIBLE  
SUMMER AND MAKE SOME  
UNFORGETTABLE MEMORIES!**
